RESPONSE

Sir:

Responsive to the objection to the drawings in the Notice of Allowability issued March 2, 2005, and pursuant to the undersigned's discussion with the Examiner, Applicants' hereby expressly state that the drawings filed with the Response dated June 17, 2004 are in fact formal drawings. Examiner Cardone indicated in the teleconference that by formally making this statement, the objection would be withdrawn.

1. Nonetheless, to further facilitate removal of the objection, attached is a copy of Notice of Allowability dated March 2, 2004 in which Box 3 is checked and states that the drawings filed on June 17, 2004 have been accepted by the Examiner. The Notice also requests corrected drawings in Box 6(b) be submitted by the Examiner's Amendment dated March 24, 2004. As Box 3 clearly shows that the requirement of Box 6(b) has previously been met. Thus, as required by the Examiner, Applicants hereby again state that the drawings as filed with the June 17, 2004 Response are formal drawings and the requirement for replacement drawings has been met; and

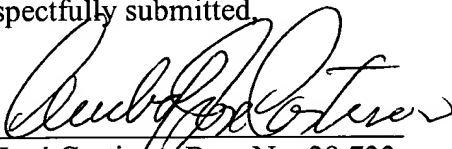

Application No. 09/672,421
Resubmission of Drawings dated March 24, 2005
Reply to Notice of Allowance dated March 2, 2005

2. Further, also attached is a copy of June 17, 2004 drawing submission of Marked Up Replacement Sheets for Figures 4 and 6 and Proposed Replacement Sheets Figure 4 and Figure 6.

Applicants request that the Examiner indicate acceptance of the drawings as filed.

Dated: March 24, 2005
